SUMMARY

As a versatile professional with a background in photography, I recently completed the intensive Le Wagon Web Development bootcamp, solidifying my skills as a Full Stack Developer. Equipped with a comprehensive understanding of both front-end and back-end technologies, such as JavaScript and Ruby on Rails. I bring a unique blend of creativity and technical proficiency to projects. My experience in photography has honed my interpersonal and problem-solving skills, fostering a collaborative approach to development. Committed to staying up to date with industry trends, I am poised to contribute my expertise in creating innovative and user-friendly web solutions.
